

## REMARKS

The specification has been amended herein to claim the priority of International Patent Application No. PCT/KR2005/002834 filed August 26, 2005. In addition, claims 3, 7 on 8 have been amended, and new claims 9-11 have been added, to place the application in suitable form for examination.

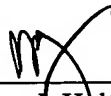

Specifically, claim 3 has been amended for consistency with claim 1, as well as to correct the punctuation thereof.

Claim 7 has been amended to delete the multiple dependency thereof, so that such claim or sites adult stem cells according to claim 1, as active ingredients. Correspondingly, claims 9-11 have been added, of similar form to claim 7, but depending from claims 2, 3 and 4, respectively.

Claim 8 has been amended herein to provide appropriate antecedent basis for the recitals therein, by added recital "according to claim 7."

It is requested that examination and prosecution of this application proceed on the basis of the pending claims 1-11 in the application, as amended herein.

Respectfully submitted,

---
